DALLAS, May 1, 2009 – [Daystar Television Network](#) is providing entertainment for the whole family with the May 1 national DVD release of [“The Cheesy Adventures of Captain Mac.A.Roni,”](#) an original animated film that cleverly combines comedy and adventure to model the values of love, forgiveness and faith.

During the quest, Mac.A.Roni and Cheese teach the children about what it means to love and forgive when faced with adversity, revealing to them the true meaning of the treasure.
